MARAUDER 1976

North Garland High School
Garland, Texas
Volume V

As we look toward tomorrow and what the future holds, we should remember those of the past who made it possible for us to live free and independent today.

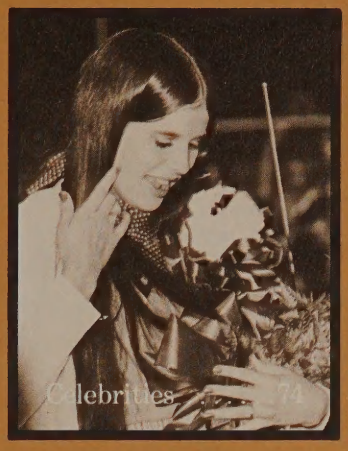

Two hundred years have passed since men and women joined together to take the first step toward establishing the best possible nation in which to live. It has been the responsibility of succeeding generations to continue building and striving for such a nation.

Today, we have a responsibility to further shape and expand North Garland into the finest school possible, by building on the foundation laid by NG's first students five years ago.

North Garland, like America, is composed of individuals from different backgrounds with varying ideas and opinions. It is the union of such individuals which produces thoughts and contributions — both large and small — that have created a school of which we can be proud.

There can be no progress (real, that is, moral) except in the individual and by the individual himself.

— *Charles Baudelaire*

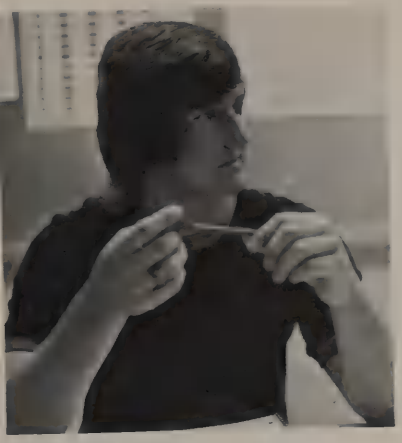

A perfect life is like that of a ship of war which has its own place in the fleet and can share in its strength and discipline, but can also go forth alone in the solitude of the infinite sea. We ought to belong to society, to have our place in it, and yet be capable of a complete individual existence outside of it.

— Hamerton

Life is very short, and very uncertain; let us spend it as well as we can.

— *Samuel Johnson*

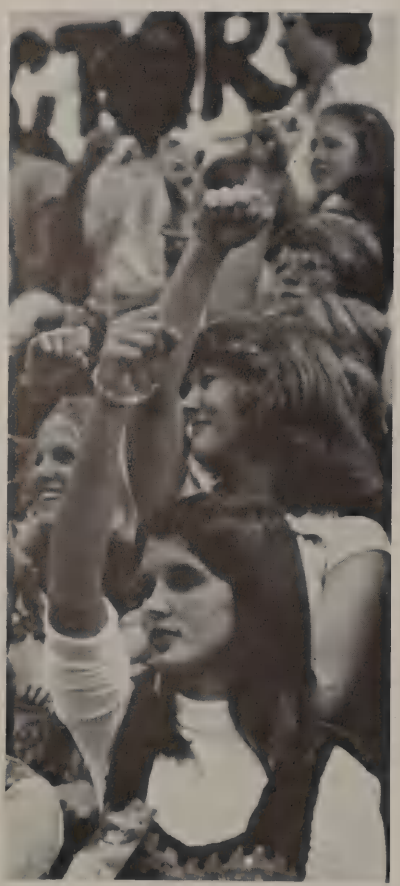

You better live your best and think your best today; for today is the sure preparation for tomorrow and all the other tomorrows that follow.

Our faculty consists of people whose life's work is concentrated on teaching and preparing students for the future. They concern themselves with more than students' scholastic progress for they are working to build them into responsible citizens.

Two members of North Garland's faculty in particular demonstrate daily the qualities necessary to shape and mold young people into the men and women of tomorrow.

For their time, love, and devotion which is displayed to each individual we proudly dedicate the 1976 MARAUDER to Mr. Pat Chumley and Mrs. Betty Lowrance.

The things that the flag stands for were created by the experiences of a great people. Everything that it stands for was written by their lives.

The Social Studies Department at North Garland High endeavors to instill within each student an understanding of and an appreciation for their national and cultural heritage. The quarter system has made it possible for more in-depth studies to be made, particularly in the areas of world geography. There are twenty-one courses offered to the students from grades nine through twelve. These courses are designed to help students to become informed, participating citizens and to become aware of international problems in a complex twentieth century.

Mrs. Dorsey, Social Studies Chairman, smiles as she does her favorite chore, numbering her classrom set of textbooks.

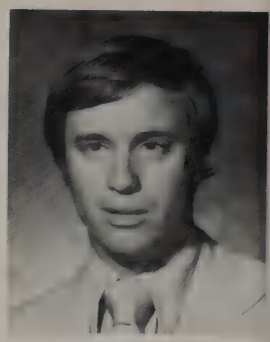

The Vocational/Technical Department includes Distributive Education, Health Occupations Cooperative Training, Industrial Cooperative Training, Homemaking, and Vocational Office Education. These courses offer a wide variety of occupations and skills for both boys and girls. While serving as an excellent opportunity for students to acquire a true understanding of business, they also endeavor to train young adults to lead rewarding, constructive lives and to make a valuable contribution to our society. Areas of training for individual growth in leadership, citizenship, scholarship, and cooperation are provided through activities of the clubs. Outstanding speakers better acquaint the students with the business world and club conventions include contests which stimulate competition.

Vocational Homemaking Education consists of both useful and gainful courses of study. These courses provide practical learning experiences through classroom participation in activities implemented to meet the need of the varying abilities and interests of the youth enrolled.

Vocational Homemaking consists of Homemaking I, II, III, Home Nursing, Home and Family Living, Consumer Education, Home Management, Home Furnishings, and two cooperative programs, Home Economics Cooperative Education and Pre-Employment Laboratory Education. The guidance and counseling program exists for the purpose of helping each individual reach his full academic and social potential. The program is conducted in such a manner that allows for the use of approved guidance and counseling techniques.

Research, reference, audio-visual aids and leisure reading are only a few of the many facets of the library. Programs are presented using slides taken in the library. For browsing, current magazines and two daily newspapers are available. A new service started this year is the paperback book exchange. A "take one — leave one" type of exchange was set up so students could trade.

Freshmen

...Kim Rice, *secretary*; Shelley Holder, *reporter*; Tena Pullen, *president*; Denise McGee, *treasurer*; Kevin ...

Being a freshman is special because our class is large and we stick together.

Being a freshman is nice because we're younger and still need a lot of help from the upperclassmen.
— Tena Pullen, president

Being a freshman means finally having a classification, instead of being an eighth grader, you're a freshman.
— Kevin Blair, vice-president

Being a freshman is deciding what high school to go to and finding out that North Garland is the best.

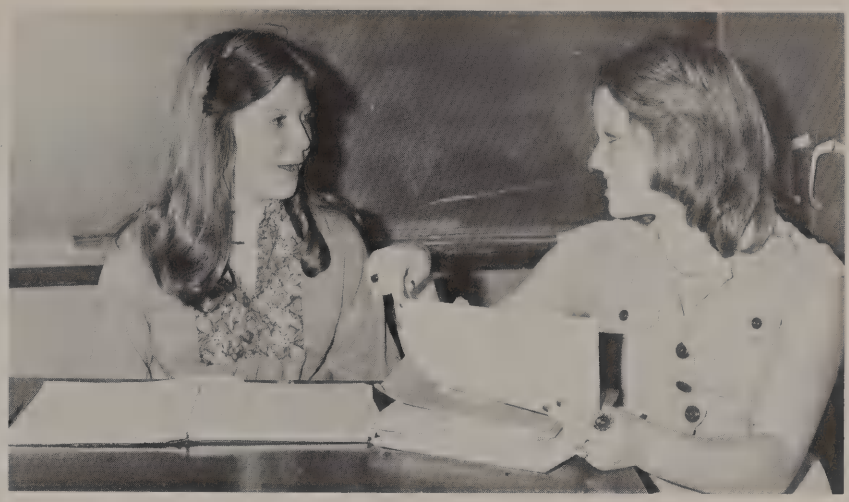

Being a freshman means meeting new friends and having the best time of your life.
— Kim Rice, secretary

Being a freshman means having new experiences every day of the school year and finding out that high school is a great part of your life!
— Donise McGee, treasurer

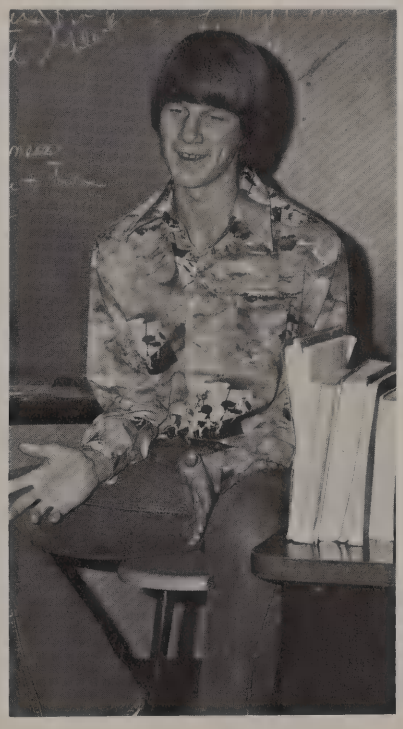

Being a freshman means you are taking the first step to becoming a senior and becoming a leader of your school.

Being a freshman is learning what it is really like to have school pride.
— Shelley Holder, reporter

I guess being freshman class sponsor is awesome more than anything else. After all, there are so many of them, how can I hope to know them all? It means working with great potential — it's all there — the eagerness and excitement of wanting to do everything at once. I *like* them!

This year, the North Garland Raider Varsity football team went into their second season in district 8-AAAA as a much improved squad with outstanding spirit and drive. Every opponent faced knew the Raiders had come to play hard hitting, tough running football. From a spectator's standpoint, the Raiders put on a fine showing of talent, skill, and teamwork. Although they did not have an impressive record, the Raiders gave their best on every play which leaves nothing else for anyone to ask.

The Raiders opened up the season with their initial AAAA victory over arch-rival AAA Berkner on September 4 at Wildcat-Ram Stadium. A staunch defense coupled with a fast running offense enabled the Raiders to defeat the Rams 13-7. North Garland overcame six fumbles and one interception for the victory.

North Garland faced their next opponent on September 12. The highly-spirited Raiders rolled

into P. C. Cobb Stadium and posted their second season victory against Dallas Sunset. The Raider offense was sparked by quarterback Lee Ferrell, who accounted for three touchdowns in the game. The defense also played a super game as they allowed the Bisons only 67 yards on the ground in the 24-7 win.

On September 19, the Raiders traveled to Wilmer-Hutchins Stadium for their first district 8-AAAA game. North Garland played a fine game, but, however, they were unable to hold down the Eagle rushing attack. This factor combined with the home field advantage caused the Raiders to go down in defeat 28-7.

After a long time on the road the Raiders finally came home to Memorial Stadium on September 26. Their second district foe was the North Mesquite Stallions. The Raiders' excellent efforts were all in vain as the Stallions came away with a 35-12 victory.

On October 3, North Garland played their homecoming game, which matched the Raiders against the top-ten ranked Mesquite Skeeters. Injuries began to hurt the Raiders in this game as they were defeated 51-0. North Garland was unable to capitalize on Skeeter mistakes and allowed them 27 points in the fourth quarter.

North Garland faced the South Garland Colonels in the season's first city clash on October 10. After Lee Ferrell's shoulder injury early in the game, the Raiders were never able to get the offense rolling. Although gallant efforts were made by reserve quarterback Greg Woodliff and the rest of the North Garland team, the Colonels won by the astounding score of 49-0. This loss lowered the Raiders' season record to 2-4 and their district record to 0-4.

The Raiders' last road game occurred on October 24 when they traveled to Richardson to

play the Richardson Eagles. For the first time in the season, the Raiders were hurt by penalties, of which there were ten. Again the Raiders could not get their offense moving as the Eagles handed them their fifth district loss 42-0.

In their next game, the Raiders were pitted against city rival Garland. The game which occurred on October 31, Halloween, was a fine contest between two teams that played well. The Owls, who possessed some good runners, ended up on top 28-6. The Raider offense began to come back in this game after a serious lull in the last few games.

The next week, on November 7, the Raiders met the Pearce Mustangs at Memorial Stadium. Two unfortunate goalline fumbles and several costly penalties kept the Raiders from running away with the game. North Garland's hopes of its first district win were smashed when, with only 49 seconds left, the Mustangs'

kicker booted a 25-yard field goal to give J. J. Pearce the victory, 23-22.

The last game of the season was played on November 14 at Memorial Stadium. The Raiders faced the Lake Highlands Wildcats. North Garland played a fine game against the eventual district champions. Turnovers again affected the outcome of the game as Lake Highlands won 34-2. The Raiders' only score came in the fourth quarter with 2:13 left when the Raider defense, who pushed the Wildcats back twenty yards in three plays, blocked a punt in the end zone for a safety.

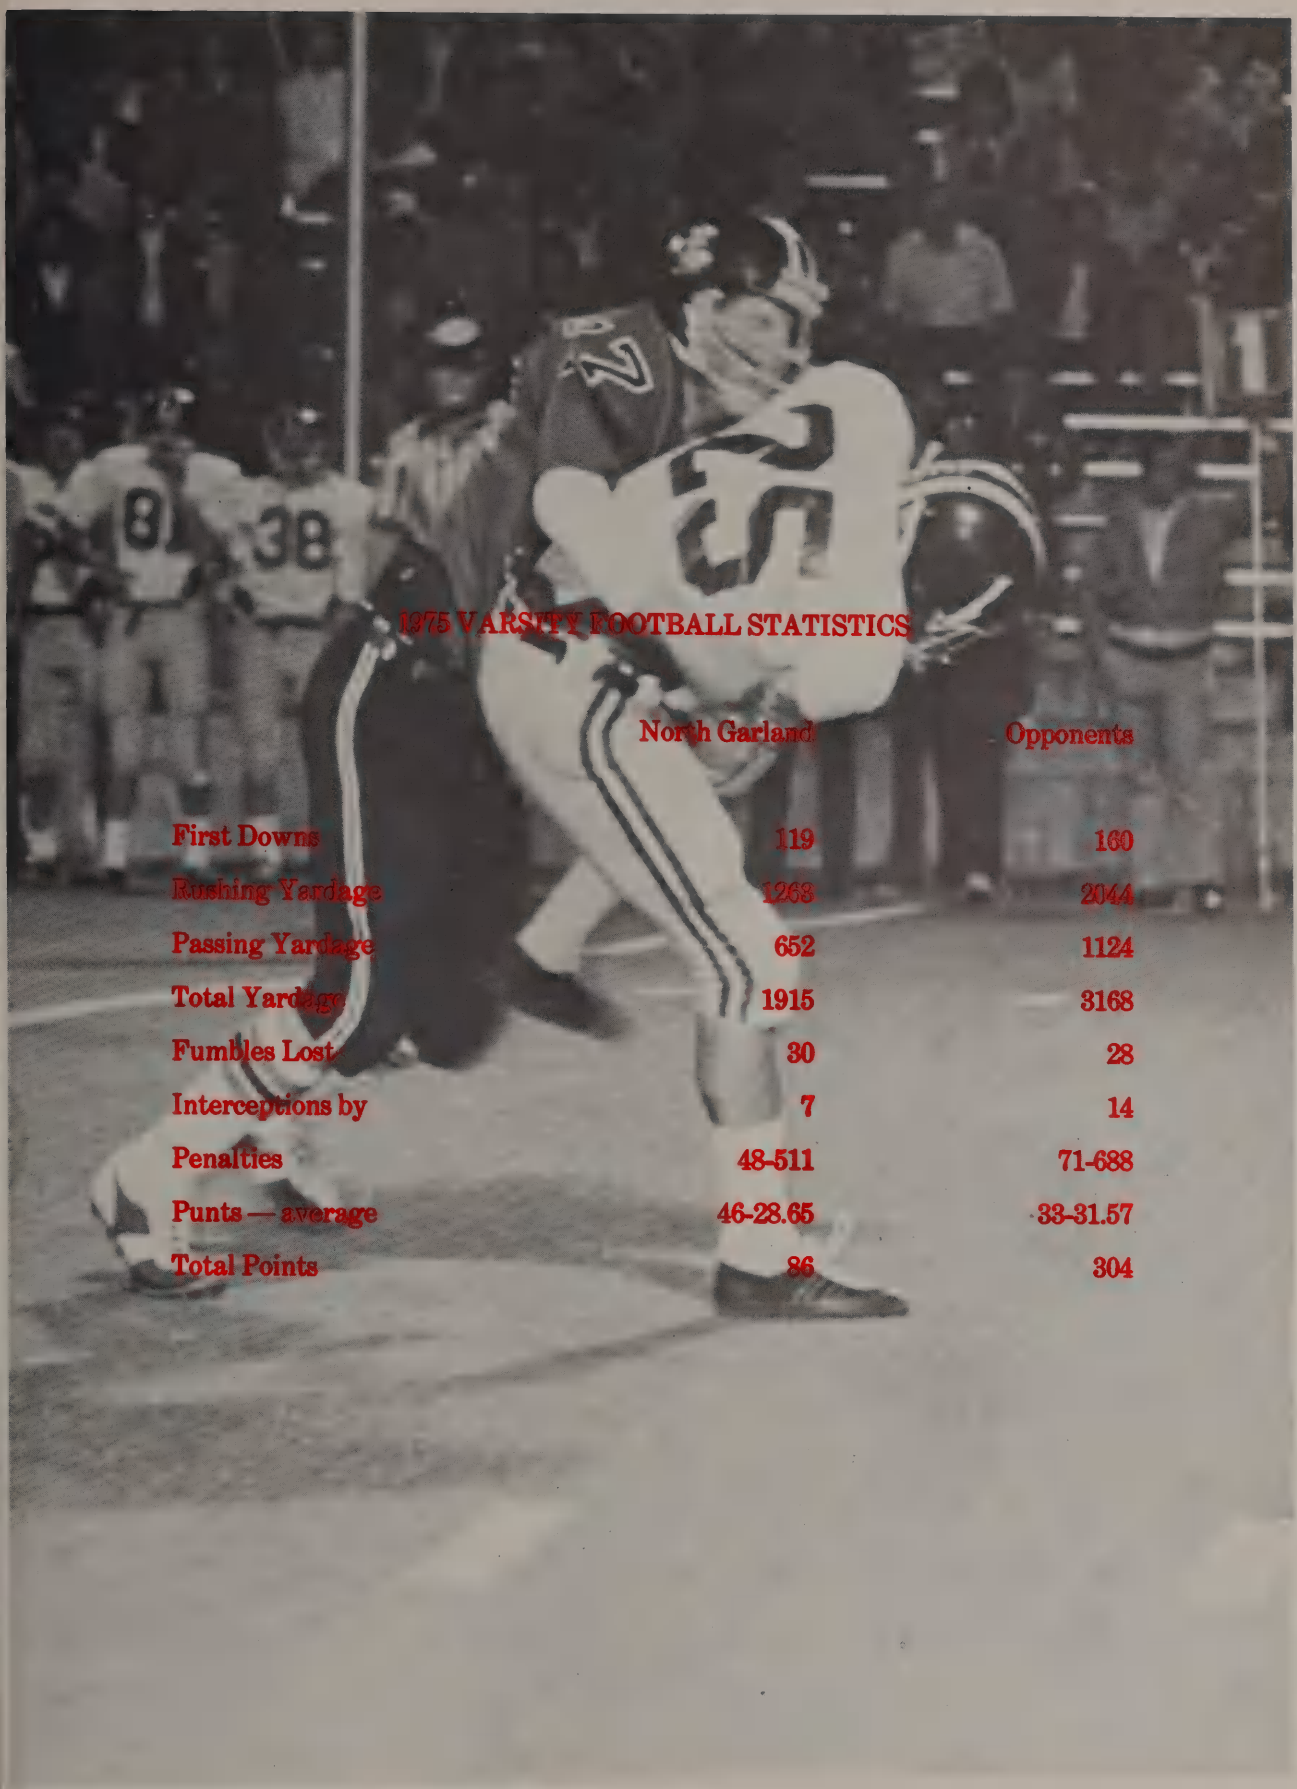

All through the season many Raiders showed outstanding ability. For this reason, the sports staff would like to start a new tradition at North Garland by naming a Player of the Year. This honor will be awarded for individual ability, spirit and overall contribution to the team. This year's Player of the Year is quarterback Lee Ferrell.

Even though they suffered a disappointing 1-9-0 record, the North Garland Raider Junior Varsity displayed the mighty Raider spirit along with a great deal of determination throughout the season. Injuries and a lack of depth plagued the Raiders all season long as they were defeated in all but one game. Most of the season the Raider offense and defense lacked that something it needed to achieve victory.

In the first game of the season, the Raider JV met the Berkner Rams. The Raider offense failed to ignite and Berkner won by a score of 12-0. In the games that followed the Raiders failed to capitalize in certain situations and fell to Sunset, Wilmer-Hutchins, North Mesquite, Mesquite, South Garland, Richardson, and Garland.

In the next to the last game of the season, the Raiders put everything together against the J. J. Pearce Mustangs. The Raider offense clicked for three touchdowns, and the JV defense held the Mustangs to two touchdowns and a field goal. The Raiders won the game by a score of 20-16.

In the last game of the season, the Raiders met the Lake Highlands Wildcats. The Wildcats proved to be too overpowering for the Raiders, and they won 40-6. Despite their disappointing season, the Raider JV shows promise for next year.

The 1975-76 Raider Varsity Basketball team started the year with much enthusiasm and hope for a good season. However, they were greatly outsized by their 8-AAAA opponents. In spite of their tremendous spirit and some good shooting, the Raiders ended up with a 5-21 season record.

North Garland's season opener was against the R. L. Turner Lions on November 18 at the NGHS gym. The Raiders overcame a 28-24 halftime deficit to defeat the Lions, 71-51. Using a full court press, the Raiders forced two quick turnovers at the start of the third period that tied the game at 28. The Lions took the lead again, and with 1:45 left in the third period, David Turner sunk a driving layup to tie up the score at 42. Jimmy Hill led all the NG scorers with 28 points.

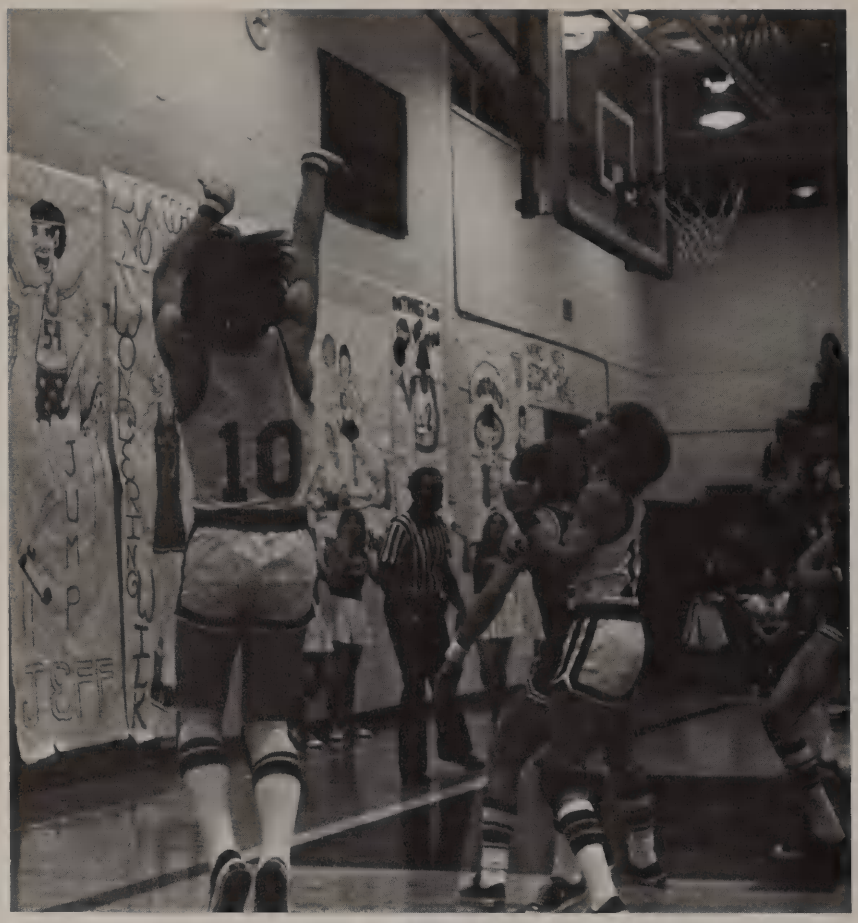

On November 20, the Raiders faced the Berkner Rams in the first game of the Berkner-Pearce Tournament. The game was a close one with the lead changing hands 11 times and the score being tied on seven different occasions. When the final buzzer sounded, the Raiders were only five points short, 58-53. The Rams may have beaten the Raiders on the scoreboard but not on the court as David Turner with 22 points led the Raiders in a fine display of athletic skill.

The Duncanville Panthers were the Raiders' next opponent in the Berkner-Pearce Tournament. The game was very exciting and showed spectators two good teams. The Raiders fell only one point short, 53-52. David Turner again led the NG scorers with 33 points.

The Berkner Rams visited the NG gym on November 25 for the second game between the two teams. Berkner came away with a 59-54 decision in the very close, exciting game. For the third time in the season, David Turner led all the NG scorers with 24 points.

After participating in the Garland Invitational Tournament in which the Raiders lost their two opening games to Garland, 79-64 and Greenville, 59-51 and captured seventh place by defeating Jesuit, 60-39, the Raiders faced Woodrow Wilson. After leading through three quarters, North Garland lost the lead with five minutes to go in the fourth quarter, 44-43. The Raiders used their full court press to pressure the Wildcats, but resulting fouls and subsequent free throws increased the lead to nine points at the final buzzer. David Turner led all NG scorers with 21 points as the Raiders lost to Woodrow, 58-49.

Despite their lack of height, the Raiders played a good game with a hustling offensive attack. David Turner scored 17 points and Robert Wilkins scored 14 as the Raiders lost to the Eagles, 73-67.

The Raiders next faced the South Garland Colonels. After a close first three quarters, the Raiders led going into the fourth period, 42-37. The Colonels, however, scored eight straight points, and with 6:14 left to play, South Garland pulled ahead. The Colonels maintained their lead to win, 51-48.

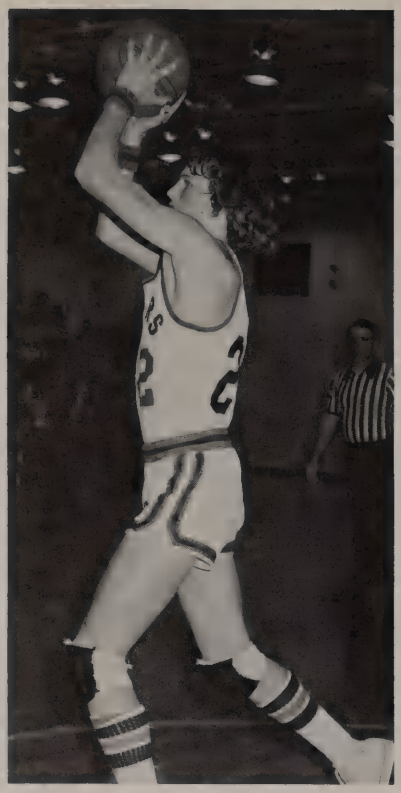

The Raiders' next district opponent after falling twice in the Pepsi Tournament, once to Highland Park, 68-47, and once to Tyler Lee, 68-51, was Richardson on January 2. The Raiders played well throughout, but a five point second quarter for the Raiders was the costly factor as the Raiders lost, 65-46.

The Mesquite Skeeters were the next opponents of the Raiders. The lead seesawed during the first three quarters, and with 2:07 left in the fourth quarter, the game became tied at 57. North Garland got control of the ball and froze it. Calling time outs with 1:24 left and 0:25 left, the Raiders worked the clock down for the last shot of the game. Sophomore Steve Parsons tipped the ball in the basket for two points, giving the Raiders a 59-57 lead with 0:14 left. Mesquite passed the ball downcourt, took a shot, missed, and recovered the rebound. Upon the Skeeters taking another shot, Steve Parsons preserved the victory by blocking the shot in front of the bucket and batting the ball to the top of the key. David Turner had 29 points and Steve Parsons had 14 as the Raiders gained their first district victory, 59-57.

Coming off a big win, the Raiders next faced Garland High. Again both teams played a close game through the first three quarters, and the Raiders held a one point lead, 63-62, with 1:41 left in the fourth period after a three point play by David Rhoden. Jeff Hendley went to the free throw line seconds later with a chance to add two more points on a one-and-one situation. Hendley missed his first shot and the Owls recovered the rebound. Garland regained the lead, 64-63, on a jumper and added four free shots in the last seconds to make the final score, 68-64, in favor of the Owls.

In the games that followed North Garland could never overcome a lack of accuracy and fourth quarter rallies by their opponents as they fell to Lake Highlands, 65-48, J. J. Pearce, 52-45, and North Mesquite, 53-42.

The Raiders opened the second round of District 8-AAAA play with hopes of a comeback for the rest of the season. The Raiders met Wilmer-Hutchins in the first game of the second round of dis-

trict play, and an inconsistent press by the Raiders was the determining factor in the game as the Eagles had high-scoring second and third quarters. David Turner led all NG scorers with 26 points as the Raiders lost to the Eagles, 86-70.

Second half rallies were the greatest foes of the Raiders during the year. In the three games that followed, the Raiders were edged out in the final minutes by South Garland, Richardson, and Mesquite. The Colonels edged out the Raiders, 52-46. Richardson rallied to beat the Raiders, 68-57, and Mesquite exploded to defeat the Raiders, 82-57.

The Raiders' first victory in the second half of play came against the rival Garland Owls. The Raiders, who led 21-14 at the half, had to fight off an Owl rally early in the fourth quarter. North Garland led 37-32 going into the fourth period when the Owls scored four straight points. Mark Harris added a basket, but Garland added two more to take the lead, 40-39, with 5:44 remaining. After swapping several baskets and free throws, the Raiders retained the lead 45-44. David Turner and Mark Harris added a bucket each to preserve the victory with a five point lead, 49-44, with 1:38 left. The Raiders held on, and Steve Parsons hit a jumper at the buzzer to give the Raiders a 53-48 victory.

The Raiders' winning streak continued as they won their second district game in second half action over Lake Highlands. The Wildcats tied the score at 50 with 2:31 remaining in the fourth period. The Raiders went into a stalling maneuver which consumed a minute and a half of the clock. With 13 seconds left, Mark Harris went up for a shot. The shot missed, but LH was called for goal-tending, and the basket was ruled good by the officials to give the Raiders a 52-50 victory. Jimmy Hill led all scorers with 14 points with David Turner and Steve Parsons getting ten points each.

Coming off two big wins, the Raiders next tried to extend their winning streak to three games as they met J. J. Pearce. During the first half, the Raiders relied on free throw shooting and a tough man-to-man defense to carry them due to an absence of accuracy in shooting from the floor. At the half, the Raiders led 25-23 but saw their lead disappear as the two teams entered the fourth period tied at 39. After several clutch field goals from Steve Parsons, Jimmy Hill, Robert Wilkins, and Mark Harris, the Raiders found themselves ahead by one, 50-49. Pearce then rallied for six unanswered points and established a 55-50 lead with three minutes to play. After two free throws by Mark Harris and a basket by Marty Marshall, the Raiders trailed only by three points, 57-54, with 21 seconds to play. The Raid-

ers added another free shot with 13 seconds left, but it was vain as Pearce added a layup at the buzzer to win, 59-55.

The Raiders' final game of the year was against the North Mesquite Stallions. The Raiders could not outlast the Stallions as they fell, 71-54. David Rhoden led all NG scorers with 11 points as the Raiders wrapped the 1975-76 season.

The 1975-76 Raider Junior Varsity basketball team showed great promise for next year's varsity team. Although their record was not impressive, they played fine basketball all year long.

The J.V. team started the season right with a strong victory over the R. L. Turner Lion J.V. team. A fast offense coupled with a first-rate defense gave the Raiders a win 40-32. On November 25, the Raiders played the Berkner Ram J.V. in their annual contest. The Rams won the game by only four points, 42-38. The Raiders' next game was against Woodrow Wilson at the North Garland gym. The Raiders played a great game and defeated the Wildcats, 53-46.

The Raiders were greatly outsized by their next five opponents as they lost these games: Wilmer-Hutchins, 65-42, South Garland, 46-40, Richardson, 51-30, Mesquite, 81-68, and Garland, 66-61.

Sophomore Joe Mount shoots a jumper and hopes for two points.

Sophomores Warren Werner and Steve Parsons struggle for a rebound.

On January 13, the Raiders put it all together against the Lake Highlands Wildcats. Guard Buddy Young put NG ahead in the final minute of play, and despite a last ditch effort by LH, the Raiders won the game 49-48. Mike Strong led all NG scorers with 15 points while Joe Mount had nine and Young had eight.

After losing to Richardson Pearce, 56-31, the Raiders faced North Mesquite. The Raiders played well and lost by only three points, 45-42. In the Raiders' next four games, excellent basketball was played, but they just could not seem to win. They lost to Wilmer-Hutchins, 72-48, South Garland, 49-30, Richardson, 66-51, and Mesquite, 60-51. In their next game against Garland, the Raiders showed good ball handling and defense, but a missed basket in the closing seconds of the game handed NG another defeat, 49-47.

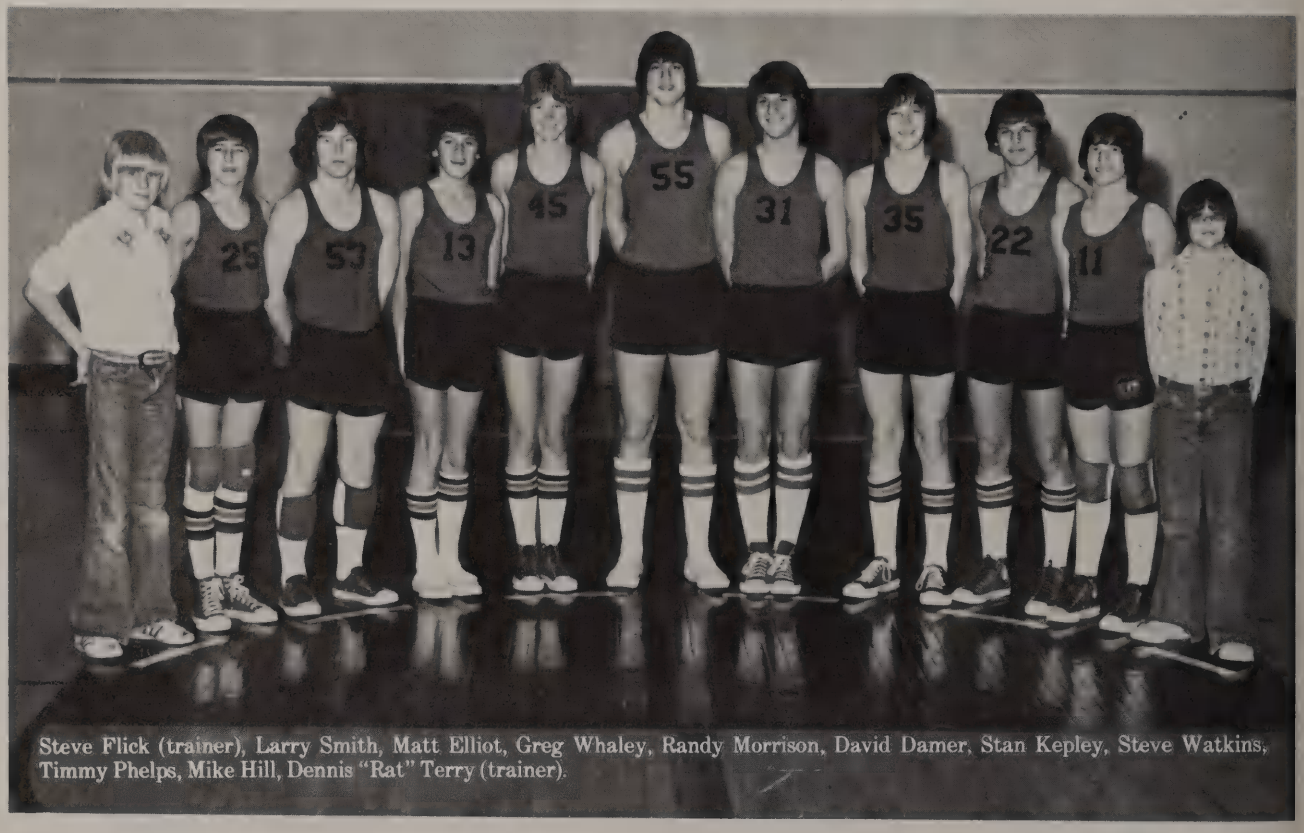

The Raiders, out to avenge their loss, then faced Lake Highlands. On Tim Fielding's layup with three seconds left, the NG J.V. defeated the Wildcat J.V., 64-63. The Wildcats had previously been unbeaten in second half play.

The J.V. finished the season falling to Pearce, 59-55 and North Mesquite, 63-51.

The North Garland Freshman Black basketball team had an outstanding season amassing a season record of 21-5. The NG Black team captured the city ninth grade title with a 10-2 record in league play.

A staunch offense coupled with a tough hard-running defense led the Black team during the season as they soundly defeated their city opponents. The Blacks devastated Memorial 51-18 in their first city confrontation. The freshmen suffered their first city loss at the hands of the Garland Gold team, losing by only two points, 39-37. The freshmen went on to defeat South Garland, 50-34, but lost its next game by six points to the GHS Black team, 39-33. The NG Black team then went on to win its final eight city games and capture the city freshman crown. The freshmen's high-scoring game was against GHS Gold when the Black team scored an amazing 71 points. In addition to being the city's freshman champions, the NG Black team proved itself against other area schools by placing second in the Garland Tournament, third in the Bishop Lynch Tournament, and third in the North Garland Freshman Tournament.

The North Garland Freshman Red basketball team finished the year with a 6-6 city record. After an opening loss to GHS Gold, 47-36, the Red team got on the winning track by defeating South Garland, 49-38 and GHS Black, 60-35. Against GHS Black, David Damer pulled down a total of 32 rebounds. After two successive losses to O'Banion by five points and NG Black by one point, the freshmen soundly whipped Memorial, 46-28. After two more losses the Red team had two back-to-back victories. They defeated GHS Black, 59-52 and annihilated O'Banion, 68-34. After an abbreviated game with NG Black, the freshmen finished their city league play with a victory over Memorial, 62-41. The Red team finished the year by capturing the first place trophy in the North Garland Freshman Tournament.

Tennis Team

The 1975-76 North Garland Tennis Team, in its first tournaments and District 8-AAAA matches, played well and showed some fine talent. This talent along with Coach Curtis's help has put the Tennis Team in good standing in the district. Carolyn Kirk and Rebecca Emory have won many doubles matches, along with Mike Pickel and Mark Stubbs doing well in singles matches. At this time, Coach Curtis is looking forward to a promising season for the team.

Sophomore Beth Burson smashes the ball over the net.

Junior Kim Ewing returns her opponent's serve.

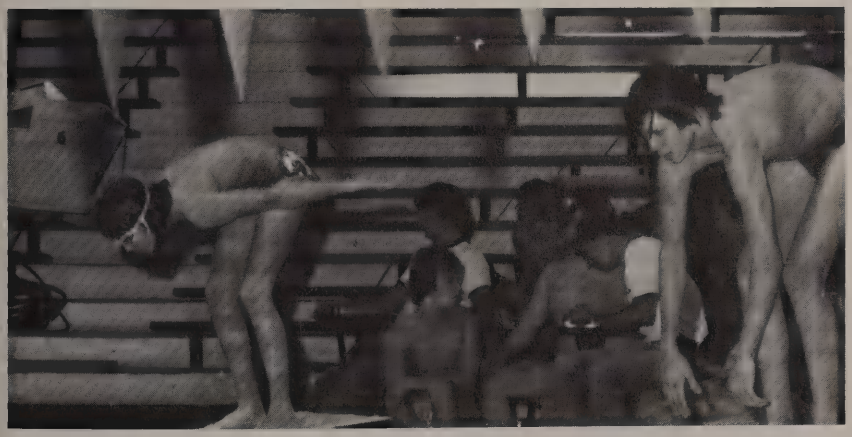

Swimming and Diving Team

Sophomore Curt Adair warms up for a big race.

On your mark, . . .

The North Garland Swimming and Diving Team has grown greatly from last year with the addition of several dedicated and promising freshmen. Since the beginning of school, the team has been in training starting at 7:00 a.m. each morning and concluding at 8:30 a.m. Several school records have been broken and more will be broken at the city meet March 12 which is the last meet of the season. The North Garland Boys' Team has a good chance of capturing the championship this year.

The Girls' Team has grown also. However, the team still lacks enough depth to compete successfully with many of the teams in the region. The few girls on the team are very dedicated and hard-working. They undergo a rigorous training program equivalent to the boys' program.

This is the third year that the Swimming and Diving Team has been in existence at North Garland. The team is growing fast in numbers and ability and soon will be among the top teams in the region.

The 1975-76 Boys' Track Team is, at the time of this writing, looking forward to a good season in district competition. Through their first pre-season track meets, the team showed promise, and Coach Hacker is anxious for the district meets to start. The team is fairly large, which gives it the depth it needs to place high in the district meets.

Junior Jack Meager attacks the hurdles.

Girls' Track

Robin holds the record for the 60-yard dash (7.0), 100-yard dash (11.1), 440-yard dash (61.6), 80-yard hurdles (11.0), triple jump (31'9"), and Debbie DeBoer holds the record for the 10.8 mile run with a time of 87:00.0. This year's mile relay team also set a new record with a time of 4:35.2. The cross country team placed third in the District meet and went to the Regional meet.

Boys' and Girls' Golf

The 1975-76 Boys' Golf team has shown good form throughout the first matches of the season. At the time of this writing, the team is one of the top contenders for the District 8-AAAA title. The team practices daily at Eastern Hills Country Club, and with the help of Coach Doug Pickle, the team is one of the best in the area.

This year's Girls' Golf team has also shown promise during the first of the season. Even though the team is small, it has done well in competition with larger teams. Coach Knight has done an excellent job helping the team achieve the status they have now.

Sophomore Allan Parrish practices his putting.

Sophomore Scott Garner works on his fairway shots.

Sophomore Mike Graves hits a shot down the fairway.

Junior Lisa Weaver putts for her par as Sophomore Julie Murdock looks on.

The Intramurals program has been very successful this year. Basketball and flag football competition have been completed, and volleyball and softball will be played later in the spring. Many students have participated in the after-school competition in both the boys' and the girls' divisions. Through the work of the sponsor, Mrs. Hudson, response has been great, and everyone has had a fun and rewarding experience.

Consistent hitting was the Raiders' trademark.

Senior Roy Knief connects for a double.

The Raider Baseball Team in its first workouts and scrimmages showed great promise for their 1976 season. In their first two practice games, the Raiders defeated South Garland 5-1 on February 18 and Garland 7-6 on February 19. As this book goes to press, the baseball season is just in exhibition stage with regular season games to begin in March. This year for the first time, the Raiders will be competing at the varsity and junior varsity levels.

Senior Rock Pollard's pitching was a big asset for the Raiders.

Junior James Biggs guards home plate as an opponent attempts to score.

The MARAUDER Sta
endeavored to capture
moments of each day and to
collect the memories of the
past year so that the days of
'76 will not be forgotten.

This yearbook is also a
memoration of our g
country in its Bicenten
year, and all of the
which contributed so much to
it. We hope it will not only be
a constant reminder of your
1976 school days, but also of
each individual's responsibil-
ity to keep our nation the
kind that the people 200 years
ago worked so hard to create.
It is our deep hope that the
1976 MARAUDER has ful-
filled your expectations, for
within its pages are the mem-
ories of your past as you
dream of your tomorrows.

Debra -

Well were fixing to be thrown out to the wonders of the world. I hope were excited as much then but we sure are happy now. Maybe when you get married we can get in touch with each other. I hope the Lord will guide you as he did me and help you through the hard times. It's really worth it so don't get discouraged I'm very happy for you and if ever I can help you in any way just call.

May God Bless ya.

Love.

Dear Debra,
How we are
about to become the
big people in this
world. It seems
like yesterday that we
were memories that we
always hold so dear to us. But
there are so many future
things to look forward to. These past
three years have been great and the next
ones ever to be greater. I
really hope you are happy with your new
life and the happiness in the
future. I wish you
God Bless you.
Love,
Beverly

P.S. CONGRATULATIONS
ON YOUR NEW JOB.

Debra,
I am really glad I got to know you better this year. Hope you find keeping company with Dale as much fun as I have. Mind you, he can really be a pain with a capital P sometimes. I wish you lots of luck in everything that you do.
God Bless you,
Karen Scarborough
